

Announcing...
The 5th Annual Undergraduate Symposium
on Global Enterprise
March 27, 2010
University of Evansville
Evansville, Indiana

Why should you participate?

In today's job market, college students want résumés that attract attention. A symposium presentation, and perhaps even a Best Paper award, is a distinctive achievement.

Plus... Best Paper and Best Presentation winners earn cash prizes!

We welcome undergraduate student papers from any discipline. The only requirement is that papers must relate to the Symposium's 'globalization' theme. Papers should be no longer than ten pages, double-spaced.

**See the Symposium website
